FOREWORD

RAPHAËL BOUCHEMOUSSE
INTERIOR ARCHITECT & GENERAL MANAGER

“ ARCHITECTURE AND DESIGN,
A CREATIVE APPROACH BUT ABOVE ALL AN
ABILITY TO ADAPT. ”

International

The world is a constant source of inspiration in the diversity of cultures and practices that feeds the development of our creative and methodological approaches.

Design

The expression and the result of our creative approach and our know-how to projects that are

We Are Different

Each of our projects with the ambition to be a unique and original response adapted to a particular context, the context of your project.

MAUBREUIL

CONFERENCE CENTER, HOTEL AND LEISURE RESIDENCE

France

Mission : Concept design,
branding signage, wayfinding
and author surveillance

2016
Global design

Meeting room 150 places,
Bar, Restaurants, Residence

The interior design and the sign system for the project, inspired
by three tracks:

- The nature of the Nantes region
- Water between river and ocean
- Architecture and heritage

These universes will be expressed in the project differently
whether in color, materials and textures allowing the stay to
become a pleasant experience.
