FOREWORD

RAPHAËL BOUCHEMOUSSE
INTERIOR ARCHITECT & GENERAL MANAGER

“ ARCHITECTURE AND DESIGN,
A CREATIVE APPROACH BUT ABOVE ALL AN
ABILITY TO ADAPT.

International

The world is a constant source of inspiration in the diversity of cultures and practices that feeds the development of our creative and methodological approaches.

Design

The expression and the result of our creative approach and our know-how to projects that are entrusted to us.

We Are Different

Each of our projects with the ambition to be a unique and original response adapted to a particular context, the context of your project.

and author surveillance

2016
New development

1687 m², 39 keys, Bar, Restaurant,
Meeting rooms, Hammam, Sauna, Gym

“Where tradition inspire modernity”

Bishkek Novotel hotel finds its inspiration on the rich Kirghiz culture and tradition.

The nomadic architecture and design, YURTS, the patterns of the traditional decors, the symbology of SHYRDAKS, the warmth of Felt, the beautiful nature, the local materials are inspiring and guiding our design, so the customer feels a special atmosphere full of surprises and unusual shapes.

OSTROV DATCHA
